

QDialog

```
classDiagram
    class QDialog
    class SongDescriber
    SongDescriber --|> QDialog
```

The diagram illustrates a class hierarchy. At the top is a box labeled 'QDialog'. Below it is a box labeled 'SongDescriber'. A blue arrow points from the 'SongDescriber' box up to the 'QDialog' box, indicating that 'SongDescriber' inherits from 'QDialog'.

SongDescriber
